E. **Authority and Designation of a Contracting Officer's Technical Representative (COTR) (MAR 2004)**

(a) Authority: Performance of this contract is subject to the technical guidance, supervision and approval of the Contracting Officer or a designated Contracting Officer's Technical Representative (COTR). As used herein, "technical guidance" is restricted to scientific, engineering or other technical field-of-discipline matters directly related to the work to be performed. Such guidance may be provided for the purposes of filling in details, clarifying, interpreting or otherwise serving to accomplish the technical objectives and requirements of the contract. In addition, and unless specified elsewhere in this contract, the authority of the designated COTR is specifically limited to the technical administration of this contract and the inspection of supplies being produced, services being provided or work being performed to assess compliance with the scope, estimated cost (if cost-reimbursement), schedule, and technical requirements of the contract.

(b) Designation: The individual(s) identified below is/are authorized access to all information concerning this contract during the life of the contract unless this authorization is reassigned by an administrative change to the contract:

Name

Telephone No.

(c) Notification: The Contracting Officer is the only representative of the Government authorized to negotiate, enter into, modify or take any other action with respect to this contract. Therefore, no other employee or representative of the Government has the authority to initiate a course of action which may alter the terms or conditions of this contract. All revisions to specifications, requirements or informal commitments that may involve a change in either the total cost/price, scope, delivery schedule, or legal aspects of this contract must be done by change order or supplemental agreement, to be negotiated and signed by the Contracting Officer. Should any action by Government personnel (other than the Contracting Officer) imply a commitment on the part of the Government that would affect the terms of this contract, the Contractor must notify the Contracting Officer and obtain approval before proceeding. Otherwise, the Contractor proceeds at its own risk.

G. 52.217-9 Option to Extend the Term of the Contract. (MAR 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor within 30 days; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 5 years.

H. All other terms and conditions of BOA remain unchanged and in full force and effect as they apply to this delivery order only.

RECEIVED TIME SEP 20 2:22PM

The diagram consists of a single horizontal line. Above the line, there are three rectangular boxes: a small one on the left, a medium one in the middle, and a larger one on the right. Below the line, there are two rectangular boxes: a medium one on the left and a larger one on the right. The boxes are arranged in a way that suggests they are labels or annotations for different segments of the line.
